LAKE SHORE RETREAT

❖ INTRODUCTION

Discover our Shasta Lakeshore Retreats nestled along the scenic shoreline of Shasta Lake in Northern California. With 19 sought-after homes, these premier vacation rentals are beloved by guests year-round. Experience unparalleled relaxation as you soak in breathtaking views of the lake and surrounding mountains. Plus, with convenient access to the marinas, a perfect destination for both tranquility and adventure.

Our homes boast 2 to 7 bedrooms or sleeping areas, 1 to 5 full bathrooms, and inviting modern kitchen/main family rooms featuring expansive windows that showcase breathtaking views of Shasta Lake. Whether you're starting your day with a cup of coffee, indulging in a grilled steak paired with a glass of wine, or unwinding in the hot tub, our settings offer an unparalleled experience.

Nestled amidst mature trees and abundant wildlife, our homes provide a serene retreat with ample privacy overlooking Shasta Lake. Each home accommodates 6 to 20 guests, and with multiple homes in close proximity, many guests choose to rent two, three, or more, allowing us to host groups of up to 235 people for a memorable getaway.

Our Lake Homes boast some of the shortest and most convenient walks to the marinas and boat docks. From many of our decks, you'll have a clear view of the lake & marina, where you can access food, drinks, ice, and fuel for your convenience. While our retreats are all about getting away from it all, a short drive will take you to ATV trails, a grocery store, charming small-town nightspots, restaurants, bait shops, and fuel stations, ensuring you have everything you need for a comfortable stay.

LAKE SHORE RETREAT

Although all our Retreats are unique, some of our vacation homes are nestled along a distinctive waterfront stretch, unparalleled among the 365 miles of shoreline at Shasta Lake. This exclusive location makes these properties highly coveted in the area. Unlike some regions where views of the lake are limited, these properties offer exceptional vistas.

All of our homes are wonderful, but don't take our word for it....read some of the 1200+ FIVE Star reviews in the "Reviews" section of our [website](#).

❖ LAKE LEVEL INFORMATION

LAKE LEVEL AND BOATING: Lake Shasta is a reservoir so the lake level and the shore proximity to the Retreats will vary greatly based on winter rains, droughts, and the time of the year (highest in late spring, early summer and lowest in the late fall/early winter) as you can see in some of the photos. In drought conditions the lake can drop 100-200 feet below the full level. The lakefront homes' distance to the lake's edge can go from 20-40 feet to several hundred yards. The local marina and boat ramp stays open until the water gets to about 140' down (not common but did happen in 2021). Fortunately, the lake has been full four years in a row (2022-2026).

Shasta is the largest lake in California with over 365 miles of shoreline. Best lake in California for water sports and always enough water to enjoy.

Photo taken in Sept 2015 after 4 years or drought in main channel of Sacramento Arm. Lower but lots of water.

Lake Full (Like Memorial Day last 5 of 8 years)

Lake Low (Nov 2015 & Aug 2021)

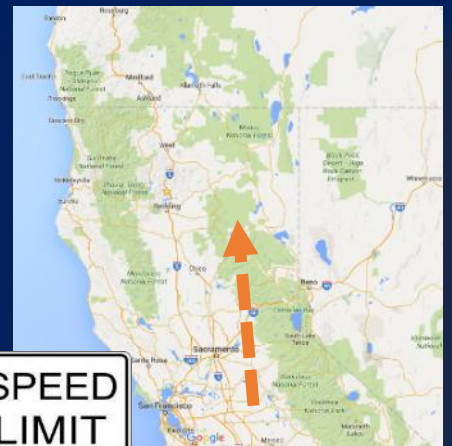

Lake Level Varies Greatly (See our website for more details)

- *We had an absolute blast! It was exactly as pictured and very clean which we appreciated. Owners were wonderful to deal with and always very prompt in answering any questions we had. We took our kids and grandkids and had a great time renting a patio boat (Marina couldn't be any closer) and enjoying the view on the decks. Thanks for providing the source of many happy memories!*
- *Wonderful house with great view! This experience was one of our family's best vacations. The house had everything we needed, except our food. We really enjoyed the large wrap around decks and the hot tub!! So peaceful and close to everything. We'll be back!!*
- *We had a great week at the house/lake! The weather was perfect for wakeboarding and tubing. The house was perfect and right on the water. We only had to go around the corner for the boat ramp so that was even better! The family can't wait to go again next year! Thank you again for a fun week!*
- *Just returned from a wonderful trip to Shasta Lake where we spent most of our time in our boat on the lake. The house was perfect as it was so close to the public boat launch and easy to go back and forth. The house had a great layout as we had 3 teenagers with us and they were able to take over the lower half of the house. My husband and I slept on the main floor. We were all very comfortable. Already planning next year's trip to Shasta!*
- *I can honestly say that the Shasta Lakeshore Retreat is the perfect accommodation while visiting Lake Shasta, especially if you have a boat. The marina is within easy walking distance, and they have slips for rent. I loved the large deck with a beautiful view of the lake. The kitchen was fully stocked with dishes, pots and pans and the big BBQ on the deck is great! The beds were really comfortable, and we slept soundly, it was so peaceful. We'll definitely return next summer.*
- *We had such a wonderful time! This location with the homes directly next to each other was perfect for our large blended family. 22 of us (13 adults and 9 grandchildren) had plenty of individual space within the beautiful houses. The property is just as described in the listing with everything you could possibly want or need. Everything was spotlessly clean and in great condition. The welcome baskets with a bottle of wine and two souvenir Lakeshore Retreat T-Shirts were much appreciated (we ended up purchasing additional T-shirts for the entire group). The large decks and beautiful lake views were treasured every day and night with plenty of seating for all. It just took a few minutes to walk down to the lake, and there was a convenient boat ramp nearby. The kids had a blast playing in the water. We enjoyed playing board games together, assembling puzzles, pitching horseshoes, boating and fishing, hiking various trails along the lake, and relaxing in the hot tubs. We went to the Basshole Bar and Grill and enjoyed visiting*

LAKE SHORE RETREAT

with the locals, eating appetizers (very tasty) and playing pool. The local market stocked most things you would need in a pinch, and the city of Redding was only 35 minutes away for major food shopping. The owners (Lori and David) were very pleasant and just a message or call away for any questions that arose. The entire booking, checking in and checking out process was very organized and easy. Everyone in our group without exception enjoyed the trip and look forward to our next visit.

- *This is our 3rd year and we can't tell you how much we love it here. We keep coming back. It is a fantastic getaway to nature and a great way for our families to reconnect.*
- *We are highly recommending this place! Very beautiful and comfortable. Thank you, Lori and Dave, for special welcome gift! Hope will see you very soon. Everything was absolutely perfect and we and our friends more than happy!!!*
- *This a great home. We really enjoyed it. The house was clean and comfortable. All the comforts of your own home. I highly recommend this place. Thank you for letting me enjoy your place. =)*

- *I just wanted to tell everyone how perfect our stay was at the Shasta Lakeshore Retreat. Our group had 10 people, and everyone was very comfortable and happy during our stay. We spent lazy days out on the lake and did some kayaking and paddle boarding from the shore of the retreat. It was so very generous of Lori and Dave to make those available to their guests! The house was super clean and there were plenty of plates and silverware to accommodate us all. The air conditioner worked really well so it was nice to come back to a cool house after a hot day of jet skiing. We spent a lot of time out on the upper balcony, even feeding a family of deer some carrots one evening. The view is really beautiful, and it was so great to have some cherished family time to sit and play games and be with one another. My mom is getting older, and this house was just perfect for her as she spent a couple of afternoons painting a picture of the scenery from the balcony while we went to the caverns and jet skiing. We got the chance to meet the owners (they were staying in the Retreat next door) and they were super friendly and helpful. I would definitely recommend this lake front house to anyone staying in the Shasta area.*

- *Thank you, Lori and Dave, for sharing your home with us. Our family had an amazing retreat here. More than enough room for everyone. Property is stocked very well with essentials, games, blankets, everything we needed. Owners are very responsive and helpful. The lake is my new favorite, and this property will be our go to retreat. Very convenient for boaters. Thank you for sharing your home with us! We will be back.*
- *We were very impressed with how clean & tidy everything was. The beds were comfy, kitchen was spacious for 2 people to cook in, the view of the lake was awesome. We were lucky to be able to meet Dave and Lori. They were super friendly and always there if we needed anything. I would highly recommend this property.*
- *We had a very positive experience. Owners were very pleasant to deal with & always in touch, they provided very detailed & complete instructions. Location is perfect, near Dunsmuir, not too far from Redding, & right smack dab on the Shasta Lake. We enjoyed our stay very much. Kitchen was well equipped, hot tub looked very well maintained,*

bathrooms were clean & well stocked. There is so much to do in the area, we barely spent any time at the house. We would definitely rent again in the future.
