KAYAKS AND PADDLE BOARDS

- a. Four of the Shasta Lakeshore Retreat homes currently have kayaks and/or paddle boards for your use when you stay with us
 - i. Retreat 1 and 2: They share two paddle boards and two kayaks. One of each are found on racks in the back of the house.
 - ii. Retreat 3: Two Kayaks on Racks in the Back of the House
 - iii. Retreat 4: Two Kayaks and Two Paddle Boards on Racks in the back of house. See lower photo.
- b. After using them, please clean and place back on the racks.
- c. If the distance to the water is extreme, you might consider carrying them closer to the water if you have a pickup truck or another way to transport a small distance. Go to the boat ramp areas.
- d. Paddle Board and Kayaks can also be rented at multiple marinas around the lake if you are not staying at one of these homes. [CLICK HERE](#)
